Phone: 804-358-9914**

Co-Chairman: Deborah Aylward  
PSSAB Private Investigator Representative  
Co-Chairman: Chris DiMartino  
ACE Investigations International, Inc.

This year, the PSSAB formed a sub-committee to address private investigator legislative issues. We are seeking seven (7) experienced and dedicated industry members (whose primary business is private investigations) to serve on this sub-committee. Meetings of this sub-committee will follow meetings of the regular PSSAB Legislative Committee (of which there will be approximately four meetings) that will be held at various locations around the Commonwealth. We hope to accomplish much of the work through electronic communication.

Individuals selected to serve are expected to attend all sub-committee meetings, help formulate any legislative changes pertinent to the business of investigations contained in the *Code of Virginia; Sections 9.1-138 through 9.1-150*, lobby for any bills presented at General Assembly hearings, track and see the bills through the legislative process in Richmond.

If you are interested in serving on this sub-committee, please immediately send your contact information to Deborah Aylward at [beware.beware@verizon.net](mailto:beware.beware@verizon.net) <<mailto:beware.beware@verizon.net>> for consideration. Please put "SUB-COMMITTEE" in the Subject line. No phone calls please.
